

20th December 2023

Dear XXX,

NHS Cheshire and Merseyside plans NHS care for people in Sefton, including contracts for GP services.

I am writing to you because you are a patient at Lincoln House Surgery. Your practice is currently run by Dr Shyamsundar who will be stepping down from the practice on 31 December 2023 after seven years of service. To ensure continuing healthcare for patients, we recently went through a process to decide who will have the contract from 1 January 2024.

That process is now complete, and we are writing to inform you that **from 1 January 2024 Lincoln House Surgery will be run by Southport and Formby Health** southportandformbyhealth.com

You shouldn't notice any difference because of this change. You don't need to reply to this letter or do anything else. **You can still contact your GP in the same way, and at the same location.**
